

In the text box below, please update us on any changes or updates since you submitted your application. This might include new activities or awards, changes at home, or anything else important and relevant to your application. Also, if you have any changes in your curriculum since you submitted the application, please note the changes below. We prefer to receive your updates via this form rather than mailed or emailed updates. Don't have any updates? No problem! Many students don't. Know any good jokes or have a favorite inspirational quotation instead? **(250 words or fewer)**

I talked with one professor at Caltech who seems highly interested in my becoming a Caltech undergrad. He assured me that I would be admitted. If I'm not admitted to MIT, for the next four years, MIT might be suffering from the constant pranks of an "anonymous" Caltech student. We'll call this tactic Trick or Admit.
